

June 2009

**To All League Presidents:**

Enclosed is your league's supply of tournament material consisting of:

Eligibility Affidavit(s) - Softball or Baseball  
Sample Medical Release Form

Residency Eligibility Requirements  
Proof of Age Requirements

**Additional tournament resources also are available on line at <http://www.LittleLeague.org/tournamentresources.htm>.**

It is necessary for each league president to determine that every tournament player selected has an acceptable government-issued birth document, is eligible as to **age** and **meets residency requirements (see enclosed) as well as participation requirements for the correct division during the regular season**. The following documents **must** be presented to your District Administrator:

- Completed Eligibility Affidavit
- Proof of Age documents for all players.
- Map of local league's boundaries.
- Waivers for all players outside league's boundaries.
- Residency documentation for each player (three documents)

The manager must present the Eligibility Affidavit to the Tournament Director before each game. After the game, the tournament director will have all pitching records recorded and return it to the manager. Managers **must** carry copies of all eligibility documentation; i.e., copies of birth documents, waivers granted by the charter committee, map of local league's boundaries, residency documentation for each player and medical release forms for all players.

**INTERLEAGUE PLAY:** Where two or more charters have combined for interleague play, a tournament team must be selected for each charter composed of players from within its own chartered boundaries. Exceptions can only be made by the Charter Committee, and documentation must accompany the team.

**Notice - Confirmation of Background Checks and Tournament Enrollment Application**

All chartered Little League programs must sign and return the Confirmation of Regulation Compliance and Tournament Enrollment Application to Little League International, **even if the league decides not to enter any teams in any of the tournaments**. This form confirming compliance with Regulation I(c) 8 & 9 must be signed by two different individuals that hold league officer positions.

Best wishes for a successful tournament.
